Exceptional Values in Junior Floor Lamps, \$35

THE junior floor lamp was designed to fill somewhat the relative position taken by a baby grand piano in the smaller sized living rooms of modern apartments, where full size is apt to seem out of scale. While having all the practical qualities of the elder and larger brothers, junior lamps have the added charm always attached to the diminutive.

Shades for the lamps come in all plaited Georgette, ruching trimmed, with either round or scalloped edge—and of course the usual silken fringe to screen direct light. The shades are 22 inches wide, in an extensive assortment of colors—complete with pull cords and slim tassels.

Bridge Lamp, \$32.50. A bridge lamp to match the floor lamp above. With 14 inch shade of plaited Georgette.

A Special Offering of Antique Gold Mirrors, \$12.50

ALSO in our Lamp Department is this charming little panel or console mirror in antique gold with just the slightest touch of color in a tinted garland of tiny flowers at the top. We are able to quote this attractive price only because we purchased a quantity before the recent advance in cost. Inside measurement is 11 1/2 x 23 1/2 inches.

Other novelty and console mirrors at prices that range from \$10 to \$100.
